SUMMARY

1. *b1*

It contains the following information:

a. *b1*

b. *b1*

This location is the survey team's recommendation based on available administrative facility, source of power and hardened surface for the SPS equipment. This location would reduce preparation costs by approximately \$345,000. The secondary location would require some fill and grading and new construction of all the necessary facilities.

c. A waiver for the physical security requirements for 100 ft from the perimeter fence to the priority "A" fence will be required. ADC/SP has been tasked to obtain the waiver.

d. *b1*
